Re: Closure of Administrative Order  
Town of Ballard  
Docket No. 8-PWS-VIII-97-019  
PWS ID# UT4900379  
Water System Number: 24001

Dear Mayor Parrish:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number 8-PWS-VIII-97-019, issued to Town of Ballard on June 10, 1997. Based on the information you have provided, EPA has decided that, notwithstanding the invalid total coliform bacteria sample of July 2004 which was submitted to the lab too late for analysis, we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

If you have any questions about your compliance requirements, please call me at (303) 312-6896.

Sincerely,

Lisa Kahn, Team Leader  
Technical Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
